1. PRINCIPLES OF SAFE USE OF BADWOLF TOYS

PURPOSE

BADWOLF TOYS ARE INTENDED EXCLUSIVELY FOR ADULTS. THE PRODUCT IS NOT DESIGNED FOR INGESTION, CHEWING, OR ANY OTHER USE THAT DOES NOT ALIGN WITH ITS INTENDED PURPOSE.

USAGE RECOMMENDATIONS

PRODUCTS MADE OF SILICONE SHOULD BE USED WITH CAUTION. THEY SHOULD NOT BE STRETCHED BEYOND THE NORMAL LIMITS OF THE MATERIAL.

EXPOSED TO DAMAGE FROM USE WITH OTHER ACCESSORIES THAT HAVE SHARP EDGES, WHICH COULD HARM THE TOY.

DURING USE, ATTENTION SHOULD BE PAID TO WORN JEWELRY, SUCH AS RINGS, WEDDING BANDS, BRACELETS, OR WATCHES, AS THEY MAY DAMAGE THE TOY'S SURFACE, PARTICULARLY IN THE CASE OF PRODUCTS LIKE PENIS SLEEVES OR MASTURBATORS.

APPEARANCE AND FEATURES OF THE TOYS

TOYS MAY CONTAIN VISIBLE PIGMENT SPECKS, SMALL GROOVES (VISIBLE SEAMS) FROM THE PRODUCTION MOLD, OR NATURAL STREAKS FORMED DURING THE MANUFACTURING PROCESS (CASTING OF THE TOYS). THESE ARE NORMAL OCCURRENCES AND RESULT FROM THE HANDMADE PRODUCTION PROCESS. THEY DO NOT AFFECT THE SAFETY OF USE AND ARE NOT CONSIDERED PRODUCT DEFECTS.

2. BASIC INFORMATION

STORAGE

TOYS SHOULD BE STORED IN DEDICATED POUCHES OR FABRIC BAGS AVAILABLE FOR PURCHASE IN OUR STORE. IF YOU DON'T HAVE THESE, YOU CAN USE ZIPLOCK BAGS OR REGULAR PLASTIC BAGS TO PREVENT THE TOYS FROM COLLECTING DUST, HAIR, OR PET FUR. IT IS IMPORTANT TO ENSURE THAT BAD WOLF TOYS DO NOT COME INTO PHYSICAL CONTACT WITH PRODUCTS FROM OTHER BRANDS, SUCH AS THOSE FROM SEX SHOPS OR ALIEXPRESS. THESE TOYS ARE NOT MADE FROM MEDICAL-GRADE SILICONE AND CAN CAUSE DISCOLORATION OR UNWANTED STAINING OF OUR TOYS, OR EVEN MAKE THE SILICONE SURFACE STICKY.

PREPARATION BEFORE USE

BEFORE USING THE TOY, THOROUGHLY WASH IT WITH WARM WATER AND A MILD CLEANING AGENT, SUCH AS SOAP OR DISHWASHING LIQUID. ENSURE THAT THE TOY IS IN GOOD CONDITION, FREE OF CRACKS OR SCRATCHES, TO AVOID DISCOMFORT OR POTENTIAL DAMAGE TO THE TOY.

3. CLEANING

EXTERNAL CLEANING

AFTER EACH SESSION, WASH THE TOY WITH WARM WATER AND LIQUID SOAP OR FOAM; YOU CAN ALSO USE DISHWASHING LIQUID, WHICH EFFECTIVELY REMOVES GREASE FROM TOYS. THEN, RINSE IT THOROUGHLY WITH WATER AND ALLOW IT TO DRY, OR USE A PAPER TOWEL. STORE THE TOY IN A POUCH OR BAG AND KEEP IT HIDDEN SO NO ONE FINDS IT. : P

CLEANING THE TUBE (CUM TUBE)

AFTER USING A TOY EQUIPPED WITH THE "CUM" FUNCTION, FOLLOW THESE STEPS:

1. DISCONNECT THE SYRINGE FROM THE TUBE.
2. FILL THE SYRINGE WITH WARM WATER AND RECONNECT IT TO THE TUBE.
3. FLUSH THE TUBE TO REMOVE ANY LUBRICANT RESIDUE.
4. REPEAT FLUSHING UNTIL THE WATER RUNS COMPLETELY CLEAR.
5. HANG THE TUBE TO DRY, ENSURING ANY REMAINING WATER IS REMOVED.
6. ALTERNATIVELY, USE THE EMPTY SYRINGE TO BLOW AIR THROUGH THE TUBE. INSERT THE SYRINGE TIP INTO THE TOP PART OF THE TOY AND PUSH AIR THROUGH TO DRY THE TUBE THOROUGHLY.

4. LUBRICANTS

BAD WOLF LUBRICANTS

BAD WOLF LUBRICANTS ARE WATER-BASED, MAKING THEM COMPLETELY SAFE TO USE WITH OUR PRODUCTS. THEY DO NOT REACT CHEMICALLY WITH THE MATERIAL, ENSURING NO DAMAGE OR DETERIORATION OCCURS.

LUBRICANTS FROM OTHER MANUFACTURERS

IF YOU USE A LUBRICANT OTHER THAN BAD WOLF, ENSURE IT IS WATER-BASED. SILICONE-BASED LUBRICANTS CAN REACT WITH THE MATERIALS OUR TOYS ARE MADE OF, POTENTIALLY CAUSING DAMAGE.
